Alcohol	13%				
Bottle Size	720ml (6bottles/case)				
JAN	4939662015410				
Serving Suggestion	room temperature	chilled	warm	On the rocks	Cocktail
	◎	◎			
Food pairing	Camembert cheese, Sushi, apple, peache				

This classic sake is made entirely from ingredients sourced in Saga Prefecture, using SAWA-1 Saga Hagakure yeast and 100% Sagano Hana sake rice. It features a gentle aroma reminiscent of melon and a light acidity, resulting in a "rich yet light" junmai sake with a clean, refreshing rice flavor. To maximize the unique aroma characteristics derived from the yeast, the alcohol content is intentionally set at 13% (undiluted sake).
